BETTER BLOOMING BULBS

# HEBERLING'S GLADIOLUS

CORN BELT GROWN

1930 —— SPRING SPECIAL —— 1930

MARCH 5th., 1930

## Split Special and Wholesale Special

I am offering this stock for the reason that I have more than my planting requirements of the varieties listed, and believe if I have any bargains to offer that they should first be offered to my customers rather than in a trade magazine.

I am offering only choice, clean, young, and true to name stock.

All orders will be **PREPAID**. No orders accepted for less than \$1.00.

If you do not find listed herein the varieties in which you are interested, look them up in my catalogue or wholesale price list. This list contains only specials.

I wish to call your attention particularly to some quotations on planting stock under the head of Wholesale Price list in this sheet.
